

## Unit: Groups and Sorting

### Our Key Words

**Criteria**- A way in which something is judged.

**Groups**- Objects arranged and put together because they have features in common.

**Sort**- Put things together by features they have in common.

### Our Key Learning Tools

### Key Questions

What ways can we sort objects?

We can sort objects by different criteria. These include the size of the objects, the colour of the objects or the number of sides the object has. The criteria will depend on the type of objects being sorted.
