

Reception Class Homework Menu

Summer 1

Each week please complete the following tasks with your child.

Read with your child each day and support them to sound out and blend words.

Look for numbers wherever you go and help your child with their number recognition.

Share stories with your child and ask them questions to get them to predict what might happen next in the story.

When you have completed a task, take it into school to share with your class teacher.

Be creative with how you evidence your tasks!

Can you look at some famous beaches or coastlines on a map?

You could use Google Earth to explore them and then draw a picture of what you found!

2 house points

What does the seaside look like?

Paint, draw or make a model of the seaside!

3 house points

How can we get objects out of frozen liquid?

Freeze some toys inside an ice cube tray and then see how quickly you can get them out again! What could you use to help you?

4 house points

How do materials change from solid to liquid?

*Can you cook or bake something that involves melting?
How did you make it melt?*

3 house points

Our topic this half term is...

‘Fun At The Seaside’

Read a book somewhere unusual!

Take a photo and send it into school!

1 house point per place

What objects sink and float?

Explore in a paddling pool, swimming pool or bath! Can you spot a pattern between what sinks and what floats?

3 house points

Can you use sand or water to make a picture?

Can you set up a sand or water tray or find one somewhere? What could you use to make a pattern or picture?

4 house points

Can you try some food you would find at the seaside?

Fish and chips, ice cream, candy floss – what is your favourite seaside food?
