

Aston on Trent Primary School History Knowledge Organiser

Curriculum overview

We will be learning about significant historical people in our own locality of Aston on Trent. We will learn the four families who make up our school house teams and where each family fits into a timeline and the significance of these people within the local community and beyond.

Key vocabulary

Significant	Something very important.
Locality	An area or neighbourhood.
Community	A group of people who live in the same area.
Parish	A small place with its own church.
Past	An event that has already happened.
Chronological order	To be in the order that they happened.

Our topic is...

The Aston Families

Sticky knowledge

 **The Boden family** owned a lace factory in Derby and were known for being good to their workers. They also set up the first bus service in Aston.

 **The Holden family** built the first school for the children of Aston.

 **The Swann family** were a big part of the community and owned the bakery and grocery shop in Aston.

 **The Forman brothers** were footballers who played for Derby County, Nottingham Forest and England.

The Derby Lace works were opened by the Boden Family	The Holden family built a school for the children of Aston.	The Swann family owned the local bakery and grocery shop in Aston.
