

Curriculum overview

Throughout this topic, we will explore what it means to be responsible, identify different rules and laws and recognise the reasons for these and understand the importance of having respect and compassion towards others. We will also identify our responsibilities in school and look at ways of protecting our environment.

Key vocabulary

Law	The set of rules that people in a society must follow
Rules	Guidelines that help us to understand how to behave.
Responsibility	Something you are expected to.
Consequences	Something that happens as a result of an action
Voting	A process where a group of people can decide fairly.
Human rights	Basic needs for all humans
Debate	A discussion between two people or groups who disagree on a subject.
Respect	A positive way of treating or thinking of someone.
Democracy	Where people have a say in big decisions.

Our topic is...

Being Responsible

Sticky knowledge

Human rights are there to protect everyone.

Democracy gives people opportunities to have a say in decision making.

There are reasons for rules and laws. If these are not followed there may be consequences.

Children have responsibilities at home and in school.

Showing compassion and concern is important when people are going through a difficult time.,
