

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	Colour The Natural World	Light and Dark	The Natural World Materials	The Natural World Growing	Growing	The Natural World- climate
Year 1	Animals including humans naming, categorising, and exploring life cycles	Seasons- Autumn and winter- weather, temperature, and hibernation	Scientists and inventors	Spring and summer- weather, temperature, plant, and animal changes	Plants- naming, categorising, planting, and experimenting with conditions and life cycles	Everyday Materials- sorting/Naming, composition, and location of. Types that are recycled
Year 2	Plants	Animals, including humans	Scientists and Inventors	Use of everyday Materials	The Environment	Living things and their habitats
Year 3	Forces	Rocks	Light	Skeletons	Plants	Famous Scientists
Year 4	Living things and their habitats -Classification -Environment	Animals including humans. -Digestive system.	Scientists and Inventors	Properties of materials, states of matter	Sound	Electricity
Year 5	Forces	Properties of Materials, reversible changes	Earth and space	Scientists and Inventors	Living Things and their habitats	Animals including humans, life cycles and human reproduction
Year 6	Evolution and inheritance - Darwin	Light, Einstein	Animals including humans – heart and circulatory system	Living Things and their habitats	Electricity Building circuits	Scientists and Inventors
