

Homework menu

Year 4 – Summer 1

Each week please complete the following tasks with your child.

To read at least 4X per week to an adult, checking fluency, accuracy, and comprehension. Adults should sign reading diaries. Books will be changed daily when needed.	To read, write and say the words on the spelling list, which will be sent home every Monday, in readiness for the Monday spelling test. You can also practise weekly spellings via the Spelling Shed platform.	To practise times table , <u>rapid recall</u> of multiplication facts using the Times Table Rockstars platform. To check fluency, speed and accuracy of tables recall with an adult regularly.
--	---	--

**When you have completed a task, take it into school to share with your class teacher.
Be creative with how you evidence your tasks!**

Science -Find out about the human ear. Make a poster or 3d model to show the pinna, ear drum, hammer, anvil, and stirrup. Semi-circular canals, cochlea, and auditory nerve. House points=3 points	Art - Research the artist William Morris. Look at some of his wallpaper designs and use these to inspire you to create your very own nature themed wallpaper. House points=3 points	Geography -find out facts about the Arctic and write a non-chronological report. Clues-What is the Arctic Circle? Which countries are there? What kinds of animals might you see? What would the weather be like? What is happening to the Arctic ice and the Polar Bears? House points = 5 points
Science -Watch this clip https://www.youtube.com/watch?v=YZzODimN_4s Then make your own bottle xylophone. Take pictures or draw diagrams as evidence and explain how it works. House points = 4 points	Our topics this half term are... Sound and All Around the World	Geography - Find out 10 interesting, exciting or unique facts about the Antarctic. Present your work as a poster and illustrate.(maybe with Penguins!) Your work must be presented neatly to gain the maximum number of house points available. House Points = 3 points
French - Find the names for the days of the week and months of the year. Make a poster for our class display. House points = 2 points	Science - Chose a tuned instrument and explore how it makes sound. How does it work? Why does it change pitch? Draw diagrams, take pictures and make notes. House points = 2 points.	PSHE - Design a safety poster to identify the hazards/risks of playing outside and give advice on what to do to reduce those risks. House Points = 3 points
