

<u>Science</u> Our topic this half term is Animals inc. humans. We will study the human circulatory system and learn about the function of the heart, lungs and blood vessels. We will also learn about the impact of exercise and how to keep our circulatory system healthy.	<u>French</u> We will be following our Language Angels scheme of work – this half term focuses on healthy lifestyles.	<u>History</u> Our topic is ‘Aston during the World Wars’. This is a local history study, and we will use various sources to find out about life in Aston during World War I and II.
<u>English</u> <u>Writing</u> Using our core text ‘Harry Potter and the Philosopher’s Stone’ as inspiration, we will be writing a narrative and look at letter writing. <u>Reading</u> We will use our core text, plus other non-fiction texts and poems, to read independently, in groups, or as a class. There will be opportunities to read aloud and to answer comprehension questions during WCR sessions. <u>SPaG</u> We will continue to revise the basics: nouns, adjectives, verbs, adverbs. We will also look at the active and passive voice, types of clauses and verb tenses. There will be a weekly spelling focus on Spelling Shed.	Year 6 Spring 1 	<u>Maths</u> <u>Ratio</u> We will solve problems involving the relative sizes of two quantities, using common factors and multiples to find missing values. <u>Algebra</u> We will use simple formulae and generate and describe linear number sequences. <u>Decimals</u> We will identify the value of each digit in numbers to 3 decimal places.
<u>Art</u> Our focus this half term will be drawing – ‘make my voice heard’.	<u>PE</u> Sports Hall Athletics DCCT: Health related exercise	<u>Music</u> Our music this half term will focus on exploring pulse and rhythm.
<u>RE</u> Our focus will be on the question: Why is it better to be there in person?	<u>PSHE</u> Our topic this half term is ‘Drug Education’.	<u>Computing</u> This half term we will be learning how to programme games and quizzes on our learning platform Purple Mash.
