

<u>Science</u> Our topic this half term is Living Things. We will be looking at grouping and classification.	<u>French</u> We will be following our Language Angels scheme of work – this half term focuses on healthy lifestyles.	<u>Geography</u> Our topic is 'Trade and Economics'.
<u>English</u> <u>Writing</u> Using our core text 'Holes' as inspiration, we will be writing a narrative and look at informal letter writing. <u>Reading</u> We will use our core text, plus other non-fiction texts and poems, to read independently, in groups, or as a class. There will be opportunities to read aloud and to answer comprehension questions during WCR sessions. <u>SPaG</u> We will continue to revise the basics: nouns, adjectives, verbs, adverbs. We will also look at the active and passive voice, types of clauses and verb tenses. There will be a weekly spelling focus on Spelling Shed.	Year 6 Spring 2 	<u>Maths</u> <u>Fractions, Decimals and Percentages</u> Pupils will learn how to find equivalent fractions, decimals and percentages, order them and reason with them. <u>Area and perimeter</u> Pupils will learn how to find the area and perimeter of quadrilaterals and know the formulae for finding the area of triangles and parallelograms. Pupils will also learn how to find the volume of cubes and cuboids. <u>Statistics</u> Pupils will learn how to interpret and draw line graphs, bar charts and pie charts. Pupils will also learn how to find the mean average.
<u>Art</u> Our focus this half term will be modelling with clay.	<u>PE</u> Netball DCCT – Health related exercise	<u>Music</u> Our learning this half term will focus on rhythm and lyrics.
<u>RE</u> Our focus will be on the question: Why is there suffering?	<u>PSHE</u> Our topic this half term is 'Money Matters'.	<u>Computing</u> This half term we will learning how to use spreadsheets on our learning platform Purple Mash.
