## Year 6 – Summer 2

| Each week, please complete the following tasks.                                                                                                                                                                                       |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                  |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>Reading</b></p> <p>To read on 4 occasions per week – this can include your school reading book, plus any book of your choice. Please continue to read aloud to an adult at least once a week.</p> <p><b>House points: 8</b></p> | <p><b>Learning lines</b></p> <p>To learn lines given for parts in the Year 5/6 summer performance. Practise without the script and read with confidence and expression.</p> <p><b>House points: 5 points when no script is needed</b></p> | <p><b>Learning songs</b></p> <p>To learn the lyrics to the songs in the Year 5/6 summer performance. Songs can be downloaded on Spotify, Amazon Music and Apple Music.</p> <p><b>House points: 2 per week (if evidenced)</b></p> |

| <p>The following tasks are optional but will enrich your learning based on what we are covering in class.</p> <p>When you have completed a task, bring it into school to share with me.</p> <p>Be creative with how you evidence your tasks!</p> |                                                                                                                                                          |                                                                                                                                                                                                                            |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Task: Read and complete a book review for any class/school library book.</p> <p><b>House points: 4</b></p>                                                                                                                                    | <p>Task: Write a list of 5 things you are looking forward to and 5 things you might be worried about secondary school.</p> <p><b>House points: 5</b></p> | <p>Task: Research ways that schools can be more sustainable with regards to plastic. E.g. ways to recycle/reuse plastic or alternative materials that could be used for tools/resources.</p> <p><b>House points: 5</b></p> |
| <p>Task: Research and make a collection of outdoor cooking recipes that can be cooked using a campfire.</p> <p><b>House points: 4</b></p>                                                                                                        | <p>Our book focus this half term is...</p> <p><b>‘The Invention of Hugo Cabret’ by Brian Selznick</b></p>                                                | <p>Task: Write a ‘review’ of our class performance at the Celebration of Dance.</p> <p><b>House points: 6</b></p>                                                                                                          |
| <p>Task: Write a diary entry about your favourite day in Year 6.</p> <p><b>House points: 6</b></p>                                                                                                                                               | <p>Task: Design and make a poster that highlights the key messages of online safety to children in primary school.</p> <p><b>House points: 5</b></p>     | <p>Task: Create a poster, leaflet or power point about a scientist or inventor that we have not studied in class.</p> <p><b>House points: 6</b></p>                                                                        |
