

|                                                                                                                                                                                                                                                                               |                                                                                                                       |                                                                                                                                                                                                                                                                            |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b><u>Science</u></b></p> <p>Our topic this half term is 'Scientists and Inventors'. We will be learning about and researching different scientists and inventors and doing a presentation on one.</p>                                                                     |                                                                                                                       | <p><b><u>French</u></b></p> <p>We will be following our Language Angels scheme of work – this half term focuses on 'The Weekend'.</p>                                                                                                                                      |
| <p><b><u>Forest Schools</u></b></p> <p>We will enjoy regular Monday sessions of Forest Schools as a whole class.</p> <p>We will also work on an outdoor cooking project – 'Come Dine with Me'. Pupils will work in groups to research, plan and cook a three-course meal.</p> | <p><b>Year 6<br/>Summer 2</b></p>  | <p><b><u>Project Work - Lighthouses</u></b></p> <p>In groups, pupils will make a working 3D model of a lighthouse, alongside an information pack.</p> <p>The pupils will combine their knowledge and skills in DT, art and design, maths, science, English and French.</p> |
| <p><b><u>Geography</u></b></p> <p>Our geography is a fieldwork-based topic centred on sustainability.</p>                                                                                                                                                                     | <p><b><u>PE</u></b></p> <p>Cricket</p> <p>Athletics</p>                                                               | <p><b><u>Music</u></b></p> <p>Our learning this half term will focus on performing together.</p>                                                                                                                                                                           |
| <p><b><u>RE</u></b></p> <p>Our focus will be around the question 'what place does religion have in our world today?'</p>                                                                                                                                                      | <p><b><u>PSHE</u></b></p> <p>Our topic this half term is 'Relationships and Sex Education'.</p>                       | <p><b><u>Computing</u></b></p> <p>This half term we will be learning how to make a computer game called a 'Text Adventure' on our learning platform Purple Mash.</p>                                                                                                       |
