Mobile Phone and Tablets

- We are a device free company. If there is a reason your child requires to bring a mobile phone (E.g - if they walk home) it is to be given to a member of A.M Sports staff in the morning and collected at the end of the day. We **DO NOT** allow children to play on their phones or tablets during the day or at lunch. Children are with us to be active and sociable. Not to have their heads glued to a screen.

On arrival at the club

- A.M Sports staff will sign your children in from the main entrance.
- Please let our staff know at this point if there is any arrangements we need to know. E.G if you need to pick your child up early, any appointments or there if there is somebody different picking them up.

During the day

- Our staff will only contact you if we feel there is an issue. This could be to do with an injury your child has sustained, if your child becomes unwell, to discuss any behaviour problems or if we need information.
- We expect good behaviour from all children who attend our clubs. In the event of continuous poor behaviour, we may ask you to come and collect your child.
- There is no need to call to check if your child is ok or having a good time. Please rest assured we will contact you if there are any issues at all. We have one phone line for the company and the person manning that phone cannot be at multiple clubs at one time so is unable to answer questions about individual children. If the staff looking after your child needs you, they or their manager will ring the emergency contact number provided.

Departure

- Children will line up inside the building at the main entrance
- Please tell the member of A.M Sports staff who you are there to collect – please do not call your child to come over to you. Wait for a member of staff to dismiss your child. This is very important for safeguarding reasons.

We are looking forward to seeing your children at our club.
