

Curriculum overview

In this unit, we will learn how, where and why to dodge. We will learn about attacking and defending and understand when to attack and when to defend while using our dodging skills.

Key vocabulary

Attacker	A player who has the ball or is trying to score.
Defender	A player who is trying to stop the attackers from scoring.
Space	An open area without defenders that attackers can move into.
Dodge	To move quickly from side to side to avoid being tagged by a defender.
Tagging	To touch an attacker to stop them from moving.

Our topic
is...

Dodging

Sticky knowledge

- Being honest is an important part of playing sport.
- Having self-belief is important when playing sport.
- Tagging is how to stop an attacker from moving.
- Open space should be used to avoid being tagged by a defender.
- Dodging is a side to side movement that is quick to avoid being tagged.

When we dodge...

- 1. Look** 👁️
- 2. Change direction** ↻
- 3. Move quickly** 🏃

In sport we show...

- ❤️ **Respect** – We play fairly and congratulate others.
- 💪 **Self-belief** – We keep trying even when dodging is difficult.
- 🤝 **Fairness** – We follow the rules and play fairly.
