

Curriculum overview

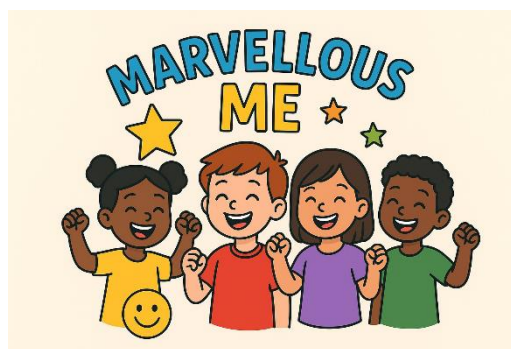

This half term our topic is 'Marvellous Me'. Throughout this topic we will be exploring what makes us unique. We will describe and compare ourselves, our interests and our families, including how we have changed over time. We will explore our emotions and learn how we can look after ourselves.

This half term is all about settling into school and developing relationships with adults and peers, alongside understanding the school rules and routines.

Key vocabulary

Family	The people you are related to.	
Different	Something that is not the same as something else, for example different patterned socks.	
Unique	The only one of its kind.	
Emotions	The way we feel inside, for example, feeling happy is an emotion.	
Hygiene	Keeping our bodies clean, to stay healthy and feel good.	
Human life cycle	How people grow and change from babies to grown-ups.	

**Our topic is...
Marvellous Me**

Ideas for home:

1. Talk about the different people in your family and their relationship (grandparent, cousin, aunty)
2. You could look at pictures from when you were babies and young children. How have you changed?
3. You could use some paint and create a poster of family handprints. Who has the smallest/largest hands?

Sticky knowledge

We are all different in how we look.

Everybody's families are different and special in their own way.

A human life cycle includes the stages: baby, child, teenager, adult and older adult.

Good hygiene prevents germs from spreading and causing illnesses.
