Introduction

It is the school's aim that all pupils should have an equal opportunity to benefit from school activities. This policy sets out the school's approach to charging and remissions with the intention to ensure transparency in setting charges and ensure all children are provided with the chance to access all provisions on offer.

This policy is based on the Derbyshire County Council's Charges and Remissions Policy. It therefore represents not only the school's but also the Council's Policy on Charges and Remissions.

Sections 449-462 of the Education Act 1996 (revised in 2011) sets out the law on charging for school activities in maintained schools. Parents on low incomes and in receipt of certain benefits may be eligible for support in terms of contributions requested for school visits.
Additionally, families in receipt of free school meals are entitled to an exemption from paying for the cost of board and lodging on residential visits. Further guidance can be accessed at

Under Section 27 (1) of the Education Act 2002 governors have control over the use of school premises, subject to the local authority's general policy that all educational premises should be available whenever possible to provide for the wider educational and recreational needs of children, young people and adults. Therefore, schools with available space are permitted to approve lettings in accordance with this policy.
All education during school hours is free. We do not charge for any activity undertaken as part of the National Curriculum with the exception of individual or group music tuition and cost of travel to swimming lessons where appropriate.

1. Day visits within or mainly within school hours

When organising school trips or visits which enrich the curriculum and educational experience of the children, the school invites parents / carers to contribute to the cost of the visit. All contributions are voluntary. If we do not receive sufficient voluntary contributions, we may cancel a visit. If a visit goes ahead, it may include children whose parents have not paid any contribution. We do not treat those children any differently from any others.

If a parent wishes their child to take part in a school trip, visit or activity or event but is unwilling or unable to make a contribution, we do allow the child to take part in the trip, visit or activity. Sometimes, school pays additional costs in order to support the visit. Parents have the right to know how each trip, visit or activity is funded and school will provide this information on request. Children in receipt of Free school Meals or Universal Free school Meals will be offered a free school packed lunch.

2. **Residential visits in school time**

   If the school organises a residential visit in school time (or mainly school time), which is to provide education directly related to the National Curriculum we do not make a charge. However, we do make a charge to cover accommodation, food and travel expenses.

   To ensure all children are provided with the opportunity to participate on school visits, parents / carers experiencing financial difficulty are invited to talk to / write to the Head Teacher in confidence.

3. **Activities outside or mainly outside school hours**

   Parents will be expected to meet the full cost. Participation in these activities will be voluntary when the activity is not part of the national curriculum, not part of a syllabus for a prescribed public examination or not part of religious education.
   Prices for individual activities will be provided to gauge interest.
   Activities will not run where full costs cannot be recovered.

4. **Ingredients/materials for practical activities such as cookery and craft**

   To help school finances, parents may be asked to pay the cost of materials where the finished product is to be kept by the pupil. Costs for these will be calculated based on the cost of the material. No profit will be made.

   No child will be disadvantaged because of parents' inability or unwillingness to pay, and, therefore, all children will be able to participate in these activities.

5. **Lost school equipment, books, etc.**

   Parents will be expected to replace or purchase lost items of school property including IT equipment and books. The cost of these items will be the replacement cost to purchase the same or similar item at the time the loss occurs.

6. **Breakages and damage to school buildings, furniture or property**

   In cases of wilful damage to the school building, furniture or its equipment, the school's Head Teacher, in consultation with the Chair of the Governing Body may decide to make a charge. The cost of repairs will be as quoted on an individual basis. Where items cannot be repaired a charge will be made to replace the item based on the current cost to buy new at the time the damage was incurred. Each incident will be dealt with on its own merit and at their discretion.

7. **Music Tuition**
   Charges may be made for vocal instruments tuition provided either individually or to groups, provided that the tuition is provided at the request of the pupil's parent / carer.

Current costs for music tuition are set by the music providers, and parents/carers are expected to meet these costs in full. No charge is made for whole class music tuition in years 4 and 5.

8. Loss of or Damage to Wider/Further Opportunities Musical Instruments

Where the school is required to obtain insurance cover for musical instruments used during Wider/Further Opportunities music lessons, and a claim needs to be made against the Policy for loss of or damage to an instrument on loan to a pupil, parents may be asked for a 'voluntary contribution' to cover the cost of the Insurance Policy Excess

9. Swimming Lessons

The school do not make a charge for swimming lessons as these take place in school time and form part of the National Curriculum. We will inform parents/ carers when these lessons take place and ask for written permission for the child to take part in lessons.

10. Other Charges

The Head Teacher or Governing Body may levy charges for miscellaneous services up to the cost of providing such services, e.g. Photocopying

11. Equality

The school is committed to ensuring equality of opportunity for all pupils, staff, parents, carers and visitors irrespective of their race, gender, disability, religion or belief, sexual orientation, age or pregnancy and maternity.

12. Lettings

The governing body is responsible for setting the charges for the hiring of the school premises but has delegated the day to day responsibilities of managing lettings to the Head Teacher. Where a letting is agreed, an agreement form must be
completed, ensuring that the person requesting the letting agrees to the school's terms and conditions and is appropriately insured. Invoices will be issued promptly with payment expected, wherever possible, in advance of the letting date. VAT is not chargeable on school lettings in line with the Derbyshire VAT Guide – schools.

All costs associated with letting the school premises must be considered when determining an appropriate charge. The Governing Body's method of calculating the actual cost of the letting comprises three main elements:-

i) Energy
ii) Caretaking Fees
iii) Per Capita costs

However, where appropriate an additional fee may be levied for the following:

i) Computer & Printer Costs
ii) Lettings by non-community/commercial groups
iii) Excessive cleaning
iv) Profit Margin
v) Wear and Tear
vi) Other costs

A lettings calculator has been developed to assist with the above calculation and is available from school Support Finance.

Concessionary rates or free letting agreements may be appropriate in certain situations where it is deemed by the Governing Body to be of benefit to the school, its children or meets community goals. In such situations the reasons for the concessionary rate must be clearly minuted and approved. The organisation requesting the letting must still sign to agree to the school's terms and conditions and must have appropriate insurance.
